

List of Values

The following **list of values** will help you develop a clearer sense of what's most important to you in life, as explained in the article [Living Your Values](#). Simply print out this page, mark the values which most resonate with you, and then sort your list in order of priority. As you scan the values list below, you may find that while most values have little or no significance to you (and some may even seem negative to you), there are those values that just jump out and call to you, and you feel, "Yes, this value is part of me." This values list is merely a guide. It is lengthy and contains many synonyms but is certainly not exhaustive, so feel free to add unlisted values to your own list as well.
